Dear DR. SANTI NUR HANDAYANI M.Si,

We would like to inform you that Chemistry Department Sebelas Maret University is organizing the 14<sup>th</sup> *Joint Conference on Chemistry 2019 (14<sup>th</sup> JCC 2019)* on 10-11<sup>th</sup> September 2019 in Surakarta Indonesia. This conference is supported by the consortium of Chemistry Department of five universities in Central Java: Sebelas Maret University (UNS), Diponegoro University (UNDIP), Semarang State University (UNNES), Jenderal Soedirman University (UNSOED) and Satya Wacana Christian University (UKSW).

It is my great pleasure to invite you as an invited speaker to the 14<sup>th</sup> *Joint Conference on Chemistry 2019 (14<sup>th</sup> JCC 2019)*. We believe that your expertise and experience will inspire the conference participants. I would be grateful if you could convey your acceptance. Further information about the conference is available on our official website: <http://jcc.uns.ac.id/>. Please let me know if any of your colleagues or students will be interested in attending this meeting. I will be happy to send them an invitation.

In order to complete the conference preparation, we need your favor to provide your abstract of your talk as well as your CV by 31<sup>st</sup> July 2019. All those documents are needed for our conference program book. The topic of the conference is

***Strengthening the Foundation of Sustainable Development: Research, Practice and Education***

Thank you very much for your kind attention and cooperation. We are looking forward to seeing you in Surakarta.

Yours sincerely,

14<sup>th</sup> *Joint Conference on Chemistry 2019 (14<sup>th</sup> JCC 2019)*,  
Chairman.

[AIP] Editor Decision for AIP publication - 2nd round Yahoo/Drafts ☆  
5

**Teguh Endah Saraswati** <jurnal@mail.uns.ac.id> Wed, Dec 4, 2019 at 3:17 PM ☆  
To: Santi Nur Handayani

The following message is being delivered on behalf of proceeding of chemistry conferences.

---

Santi Nur Handayani:

We have reached a decision regarding your submission to AIP Conference Proceeding, "Synthesis of Phenilkalix[4]Reorcinarena Sulfonate and It's Application as An Antioxidant".

Our decision is: Revisions Required

If you decide to revise the work, please send the revised article (in \*.doc file) enclosed by a list of changes according to the reviewer's comments. Highlight in red fonts every part you revised in your manuscript and confirm that your figure has a high resolution to be published.

Please make sure that your revised article has been matched into the AIP proceeding article template (<https://aip.scitation.org/apc/authors/preppapers>).

Your revision is due by Des 5, 2019.
