Dear editor,

I have read my article entitled: "Utilization of preventive health check-ups among older people in rural Indonesia", however the title in Bahasa Indonesia is not correct i.e.: "Status Resistensi Virus Dengue Nyamuk Aedes Aegypti pada Paparan Insektisida Temefos dan Cypermethrin". I suggest the title in Bahasa will be: "Pemanfaatan pemeriksaan kesehatan bagi lansia di wilayah pedesaan di Indonesia".

Thank you very much and looking forward to your reply.

Best wishes,

Budi Aji

Thank you editor,

Could you also fix the space between the first and second paragraph in the introduction section. I guess there is no space in there.

Best wishes, Budi
