Dear Authors

Based on the direction of the Chief in Editor of NMJN, the author is required to submit independently in the NMJN system to simplify the follow up and review process because the process remains regular (not a special issue). We have conveyed to the NMJN team that your article has been presented at ISHS 2020 and we have signed an MOU with NMJN previously.

Here we attached the NMJN link and template. Please follow the guideline. **The selected paper will be published on the NMJN journal.**

Kami sudah menyampaikan kepada tim NMJN bahwa artikel Bapak/Ibu sudah dipersentasikan di ISHS 2020 dan kami sudah MOU kerja sama dengan NMJN sebelumnya.

Selected paper will be published on NMJN journal.

Berikut kami lampirkan link dan template NMJN . Mohon disesuaikan terlebih dahulu.

Dear Editor,

Please find out the revised version of the final manuscript. We have some concern regarding the use of the singular/plural form of "exercise". We have made the necessary changes in the document using tracked changes function.

Affiliation and authorship are okay.

Regards,
Rahmi
