General Education

From 2006, a General Education requirement is included in undergraduate degrees. Most undergraduate degrees include two General Education courses which are denoted by a "G" suffix added to the course code.

Auckland College of Education (ACE)

On 1 September 2004, Auckland College of Education was disestablished and amalgamated with the University of Auckland. Courses taught at the former Auckland College of Education are recorded with the prefix "ACE" and, in addition to the grade key above, may contain the following grades:

Online Courses

Courses which are delivered exclusively or primarily in an online format are indicated by the characters "OL".

Sessions

Where the dates of an enrolment period do not conform to the set dates of a given term, dates for the particular "session" are used. When a student has courses belonging to more than one session within a term, the separate sessions are displayed underneath the term with their appropriate enrolments.
