Ardhini R Maharning:

Thank you for submitting the manuscript, "Nematode functional traits and community structure respond to habitat variability in Segara Anakan Mangrove, Indonesia" to Biodiversitas Journal of Biological Diversity. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: <https://smujo.id/biodiv/authorDashboard/submission/13722>

Username: ardhini

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

Ahmad Dwi Setyawan
