Kepada: imam widhiono

Dear Mr. Widhiono,

Thank you very much for your email. I have received your CTA and payment receipt. After reviewing your author's copyedit result, it seems that you have not answered some of my comments. Here I attached the document that consists of my comments that you have not answered previously. In this document, I have three comments:

1. Figure 1: the caption only mentions arrows d,e,f. While there are no captions for arrows a,b,c. Please add that in the caption.
2. Figure 4: the figure is not referred to in the body paragraph yet. Please add an explanation that refers to Figure 4.
3. References: Your references have not yet adhered to JTBB formatting style. Please revise the reference of your manuscript according to our Author Guidelines in our website or in the Article Template. Please write the DOI according to our formatting style (without <https://jurnal.ugm.ac.id/jtbb/about/submissions#authorGuidelines>)

I hope you can give back your revisions which comply with my comments. Only then, we can proceed with the final copyedit and layout process.

Thank you very much for your cooperation.

Best regards,
Salwa Shabria Wafi
Admin of JTBB.
