Dear: Editor Team Journal of Positive Psychology & Wellbeing

We have edited again according to the suggestion to create a PDF format. We have removed the academic title in the author's name to make it better, including re-editing tab with the margins of the article template. Please this last submitted article published in a journal.

Thank you for your attention and support.

Best regards

Dear: Editor Team Journal of Positive Psychology & Wellbeing

We have edited the author's name without using an academic degree to make it better, including the writing on the table so that the indicators in the right column are clear in a journal.

Thank you for your attention and support.

Dear JPPW Editorial Board

We apologize for not including the author's name, because at the beginning usually submissions for articles are always asked for a blank author first.

Thanks for the wisdom.
