Dear Dr. Ratna Stia Dewi,

We are pleased to inform you that your abstract entitled "DECOLORIZATION OF INDIGOSOL BLUE BATIK EFFLUENT USING *Lepiota* sp. FROM BATURRADEN BOTANICAL GARDENS" **has been accepted for oral presentation** for the 5th International Symposium on Green Technology for Value Chains 2021.

Moreover, there are some editors' comments that need to be addressed:

1. Please make sure that the abstract must contain the purpose/aim of the research, the used method, a brief novelty, the finding/result of the research, and a brief conclusion of the work abstract;
2. Kindly pay attention to the grammar of the abstract;
3. Kindly provide specific keywords (minimum 3) in phrases that describe the highlight of the research, avoiding the general term, and should not be in the plural;
4. Kindly write the unit based on The International System of Units.

Please note that the abstract **should be written in the given format** attached to this mail with **a maximum of 250 words**.

As GreenVC 2021 provides participation options for presentation only or presentation with the paper publication, we kindly ask the confirmation of **which type of participation you would like to apply?**

Deadline for confirmation of participation and abstract revision is **September 17, 2021** (submit via email).
