01 December 2022

Dear Authors,

I am delighted to inform you that your manuscript ID 59 entitled "*Nematode Community as a Baseline to Monitor Ecosystem Health of Kembangkuning Mangrove Forest, Indonesia*", **is now conditionally accepted** for publication in the Journal of Earth and Environmental Science, IOP Publisher as Proceeding for the 4th International Conference on Sustainable Agriculture and Environment (SAE) by the Conference Organizer. The article will be sent to IOP Publisher for publication. You are requested to fulfill the following requirements so that your paper is ready for publication.

- Format editing as the guidelines (please see the attachment, if you have recently done format editing, then please ignore it)
- Check the proofreading carefully and return with any corrections. After any amendments have been made, the final version will be published.

Though the paper has been scientifically accepted, we make Changes Requested in the Morresseir for you to reupload files. TWO files need to be uploaded: 1. Paper with Full name of authors and affiliation; And 2. Anonymized Paper Without authors and affiliation,

Your final version of the paper should be resubmitted by **8th December 2022** through the Morressier platform

Thank you for your support and we look forward to seeing more of your work in the future,

Yours sincerely,

Associate Prof. Nguyen Tat Toan

Editor-in-Chief, SAE2022 IOP-EES Proceeding

LETTER OF APPRECIATION

FOR CONTRIBUTION TO THE SCIENTIFIC PUBLICATION OF THE CONFERENCE

Dear Editors and Authors,

The 4th International on Sustainable Agriculture and Environment – SAE 2022 has been organized by Nong Lam University Ho Chi Minh City, Vietnam with Co-organizers: Jenderal Soedirman University, Indonesia; Okayama University, Japan; and National University of Kaohsiung, Taiwan. The Conference aims to provide an attractive platform for academics, scientists, researchers, experts, entrepreneurs, and students to express and discuss their interests in the emerging theme focusing on “Innovative Approaches in Agriculture in Adapting to Climate Change”.

We are pleased to announce that the Proceedings of SAE 2022 has been published in the IOP Conference Series: Earth and Environmental Science.

The online version of the Volume Publication is available at the given link: <https://iopscience.iop.org/issue/1755-1315/1155/1>

The Proceedings collect 36 peer-reviewed papers on a wide of topics such as Adapting agricultural production to climate change, Ecological health and climate change, Trends and advances in food science and post-harvest technology, Socioeconomics in sustainable agriculture, Innovative technology in agriculture, Emerging issues in agricultural transformation, and Recent advances in animal health and animal biosciences. To achieve this fruitful scientific outcome, we sincerely thank editors, authors, reviewers and editorial assistants for their invaluable contributions. We all together have worked hard in delivering a well-organized conference and do hope it satisfactorily met the expectations.

We look forward to seeing you at the next conference, in 2024.

Yours sincerely,

The Conference Proceeding, Editor-in-Chief
Assoc. Prof. Dr. Nguyen Tat Toan

The Conference Proceeding, Associate Editor
Dr. Tien Dat Huynh
