Dear Mekar Dwi A

We have reached a decision regarding your submission to AIP Conference Proceedings, "Prediction of Bilirubin Concentration using Neonatal Forehead Images".

Our decision is: Revisions Required

Reviewer has now commented on your paper below this email and the attached file. You will see that the Reviewer is advising that you must revise your manuscript. If you are prepared to undertake the work required, I would be pleased to reconsider my decision.

If you decide to revise the work, please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript. Please write difference color of the manuscript changes. The submission should be submitted via this email (jccunsoed@gmail.com) as the reply.

Please be noted that you have up to 1 (one) week from now to revise your manuscript.

If you need additional time to complete your revision, please let us know by replying to this email and informing us of the date you expect to submit it.

Regards,

Puji Lestari
Department of Chemistry, Faculty of Mathematics and Natural Sciences, Universitas Jenderal Soedirman, Purwokerto, Indonesia

Reviewer Comments:

Please recheck the AIP Template and revise the manuscript as suggestion in the text

Dear Mekar Dwi Anggraini,

I am pleased to inform you about the acceptance of the manuscript entitled:

" Prediction of Bilirubin Concentration using Neonatal Forehead Images "

Your accepted manuscript will be submitted to the publisher of AIP conference proceedings. The publisher might exclude your paper if it is not suitable with the criteria of publishing standard.

The proofreading correction will be informed to authors before submitting to the publisher.

Regard,
Puji Lestari
