Chief Editor Manfred Mielenz has been assigned by one of the Managing Editors and should handle the review process of your manuscript. You will be informed about the outcome by separate email.

You are invited to monitor the processing of your manuscript via your MS Overview: [https://editor.copernicus.org/AAB/my\\_manuscript\\_overview](https://editor.copernicus.org/AAB/my_manuscript_overview)

To log in, please use your Copernicus Office user ID 470155.

In most cases Chief Editors assign themselves. However, on some occasions, to ensure rapid handling of manuscripts, it may be necessary for Chief Editors to be assigned directly by one of the Managing Editors. In case of unforeseen conflicts of interest or other reasons, it may sometimes be necessary to change the Chief Editor.

In case any questions arise, please contact me.

Dear Mr/Ms. Natascha Töpfer.

I have not received any email since the assignment of my manuscript for review process to the Editor. I am wondering how many weeks usually the review process takes time.

Thanks.

Dear Agus Susanto,

We are pleased to inform you that the Chief Editor report for the following manuscript is now available:

Journal: AAB

Title: (CO)VARIANCE COMPONENTS AND GENETIC PARAMETERS ESTIMATION FOR LINEAR TRAITS IN HOLSTEIN CATTLE IN INDONESIA: 1. Traits related to foot/leg and udder

Author(s): Agus Susanto et al.

MS No.: aab-2018-113

MS Type: Original study

Iteration: Minor Revision

The Chief Editor has decided that minor revisions are necessary before the manuscript can be accepted. Please find the Chief Editor report at [https://editor.copernicus.org/AAB/ms\\_records/aab-2018-113](https://editor.copernicus.org/AAB/ms_records/aab-2018-113).

We kindly ask you to revise your manuscript accordingly and to upload the revised files, a point-by-point reply to the comments, and a marked-up manuscript version showing the changes made in your File Manager no later than 31 Dec 2018: [https://editor.copernicus.org/AAB/file\\_manager/aab-2018-113](https://editor.copernicus.org/AAB/file_manager/aab-2018-113). Please find all information on manuscript submission under [https://www.archives-animal-breeding.net/for\\_authors/submit\\_your\\_manuscript.html](https://www.archives-animal-breeding.net/for_authors/submit_your_manuscript.html).

Your revised manuscript will be reviewed by the Chief Editor and you will be informed about the outcome by separate email.

Besides adjustments requested by the Chief Editor or Referees, please check your manuscript carefully for typos, missing co-authors and their affiliations, terminology, updates of data in tables, or updates of variables in equations. All these have to be clarified with the Chief Editor and therefore have to be included before you submit your revised manuscript. Should your manuscript be finally accepted it will not be possible to include such rather substantial changes anymore when your manuscript is in final production (proofreading).

To log in, please use your Copernicus Office user ID 470155.

You are invited to monitor the processing of your manuscript via your MS Overview: [https://editor.copernicus.org/AAB/my\\_manuscript\\_overview](https://editor.copernicus.org/AAB/my_manuscript_overview)

In case any questions arise, please contact me. Thank you very much for your cooperation.
