You can paste this into your emails, on social media, or anywhere else you'd like others to read your article. Author feedback tells us this is a highly effective way of highlighting your research. Using this link also means we can track your article's downloads and citations, so you can measure its impact. Find out more about [sharing your work](#), how you can work with us to [highlight your article](#).

Have you registered to access your Authored Works?

If you haven't already done so, now is the time to register for your [Authored Works](#), our dedicated center for all Taylor & Francis published authors. Authored Works gives you instant access to your article, and is where you can go to see how many people have downloaded it, cited it and access your Altmetric data.

To access your Authored Works, you will need to register with the email address below:

afkarfadholi@gmail.com

Once you've completed the [quick registration](#) you'll be sent an email asking you to confirm. Click on the verification link and you can then login (using the above email address) whenever you want to by going to [Taylor & Francis Online](#). Once you have logged in, click on "[Your Account](#)" at the top of the page to see the latest updates on your article.

Next steps

We'll be in touch as soon as your article is assigned to the latest issue of International Journal of Clinical and Experimental Hypnosis, but if you've any queries in the interim don't hesitate to [contact us](#).
