We have reached a decision regarding your submission to Open Access Macedonian Journal of Medical Sciences, "**Barriers** of diabetes self-managements: a qualitative study from the perspective of nurses in Primary health centers, Indonesia ", Manuscript ID = OJS7451.

Our decision is: Revisions Required

Sincerely,
Prof. Dr Mirko Spiroski,
Editor-in-Chief, OAMJMS

Sasho Stoleski

Reviewer A:

The revision manuscript is clear and well-written suitable for reviewers' comments. The authors have revised the content that needs to improve the quality of the paper. However, the number of words in the abstract, and the limitation of study needs to revise.

Recommendation: Revisions Required
