Dear Dr. Bambang Hartoyo,

We have received the reports from our reviewers on your manuscript, "Lactobacillus as growth promoter: a meta-analysis of performance, histology and microbiota on broiler tract digestive", which you submitted to Advances in Animal and Veterinary Sciences with MH20230227020245.

Based on the received comments, your manuscript could be reconsidered for publication, should you be prepared to incorporate Minor Revisions.

The comments and requests of the Editor and the Peer Reviewers are included below. Please share this information with all coauthors of the manuscript.

Editor's Comments:

- Review the peer review comments and requests carefully, and edit the manuscript accordingly.
- Include a separate point-by-point response file addressing the reviewers comments along with an explanation of any request of the editor or the reviewers that you do not address in your revised manuscript. Your list of responses should be uploaded as a Cover Letter in

addition to your revised manuscript.

- Please colour (e.g. red in contrast to black text) all changes in the revised manuscript, without such coloured changes the manuscript may be returned or rejected.
- Verify the placement and accuracy of each reference in your manuscript as well as the accuracy of all of the values in your tables and figures.
- Please ensure that all author's names and their affiliations are placed correctly.
- Make every effort to address the remaining concerns and to resubmit your manuscript. If you anticipate an additional delay, or if you do not wish to resubmit your manuscript, then please notify us as soon as possible.
- Please keep your coauthors apprised of the status of the article throughout the revision process.

Please feel free to contact the Manuscript Handler coordinators if you have any questions regarding the submission process: info@manuscripthandler.com or +441252516907 (UK)

You can login to your Author's Panel within 15 days to revise the manuscript.

Please submit your revised draft online. We do not process email attachment.
