Dear colleague,

Media Peternakan has just published its latest issue at <http://medpet.journal.ipb.ac.id/index.php/mediapeternakan>. We invite you to review the Table of Contents here and then visit our web site to read articles and items of interest.

Media Peternakan is a scientific journal covering tropical animal science aspects published by Faculty of Animal Science, Bogor Agricultural University, associated with Animal Scientist's Society of Indonesia. Media Peternakan has been indexed in SCOPUS with SJR for 2016 is 0.143 and the back issue post-2010 editions have been included in SCOPUS database.

We encourage you to submit your research manuscript in the tropical animal sciences area: breeding and genetics, reproduction and physiology, nutrition, feed sciences, agrostology, animal products, biotechnology, behavior, welfare, health, livestock farming system, socio-economic, and policy. Additional information about the journal, including author guidelines, is available on the website.

Manuscript should be submitted electronically through our submission system. All of the submissions will be selected by the experts to decide whether the articles are qualified to be published in Media Peternakan.

Thank you for the continuing interest in our work.
