Sir. Please note, if the "Baltic Journal of Law and Politics", has been registered again in January 2023 on Scopus Q4, it is planned that many lecturers from the university institution where we work, are interested in publishing articles in this Baltic journal. Of course I will promote it through the RPS that you lead, ...

Yes, sir, we are also waiting for the confirmation through the Baltic Journal. 11.45

In data, September 2012 to December 2022, the Baltic Journal of Law and Pokitics, is still registered on Scopus. But after September 2022 the validity period has expired on Scopus. For this reason, please extend the Baltic Journal Scopus, starting September 2022 until 2023 and so on. Sorry sir, please help. Thank you Sir. 🙏🙏 11.52 ✓✓

Yes, sir we will discussed with our team and Seniors. 11.53
