Dear Author(s),

Paper ID: 086

Title: Agronomic Performance of F4 Population of Rice Breeding lines Derived from the Cross of Black Rice and Mentik Wangi Varieties

Congratulations!

Based on the reviewers' recommendation, we are pleased to inform you that your abstract submitted to the International Conference on Sustainable Agriculture for Rural Development (ICSARD 2018) has been accepted for presentation at the conference.

Please submit your full paper with revised abstract based on the reviewer's suggestions and comments (if any) by October 7, 2018 and always state the paper ID number of your paper in the paper submission and any correspondence with the Organizing Committee as it will be used to identify your paper. You also need to pay the conference fee to complete the registration process. The detail of the payment procedure can be found in the attached flyer.

ICSARD 2018 will be held in Purwokerto, Indonesia during October 23-24, 2018. ICSARD 2018 aims to promote scientific and educational activities towards the advancement of knowledge by improving the theory and practice of various disciplines and areas of sustainable agriculture. The conference will feature plenary speeches given by world renowned scholars and regular sessions with broad coverage on cutting-edge developments in the fields of Agro-technology, Soil science, Agronomy, Horticulture, Plant protection, Plant breeding and biotechnology, Agroecology, Food science and technology, Agricultural and biosystems engineering, as well as Socio-economics of agriculture and agribusiness.

As a part of the conference program, we also offer you an excursion tour on Thursday, October 25, 2018. The destinations of the excursion are Tambi Agrotourism and Dieng Plateau, Wonosobo, Indonesia. The detail of the excursion program can be seen in the following link: <http://icsard2018.faperta.unsoed.ac.id/2018/09/21/excursion-program-3/>

If you are interested in joining the excursion tour, please fill in the following online registration form and submit it as soon as possible <http://icsard2018.faperta.unsoed.ac.id/2018/09/21/excursion-program-2/>

We would like to see you in Purwokerto, Indonesia at the conference and to hear about your

most recent research results.

Yours sincerely,
Susanto Budi Sulistyo
Chairman of ICSARD 2018 Committee

Suprayogi, Ph.D

Jenderal Soedirman University
Indonesia

The 2nd International Conference on Sustainable Agriculture for Rural Development 2020
(2nd ICSARD 2020)

Dear Suprayogi, Ph.D

It is our great pleasure and privilege to welcome you to join the 2nd International Conference on Sustainable Agriculture for Rural Development 2020 (2nd ICSARD 2020), which will be held on August 4, 2020 in Purwokerto, Indonesia. On behalf of the Organizing Committee, we would be honored to invite you to be a speaker at the upcoming 2nd ICSARD.

Following the success of the 1st ICSARD 2018, the Faculty of Agriculture Jenderal Soedirman University will host and organize the 2nd ICSARD in conjunction with the Annual Meeting of Forum Komunikasi Perguruan Tinggi Pertanian Indonesia (FKPTPI).

The 2nd ICSARD aims to deliver state-of-the-art analysis, inspiring visions and innovative methods arising from research in a wide range of disciplines which have contribution in strengthening sustainable agriculture. The conference will address the food and agriculture system activities of processing, distributing and consuming food, as well as food production from crop, livestock, freshwater and marine sources; the availability, access, utilization and stability dimensions of food security; and the synergies and trade-offs between economic, environmental, health and social objectives and outcomes.

We sincerely wish you can accept our invitation and join us to contribute your precious experience and knowledge at this conference. Look forward to hearing from you soon!

Yours sincerely,

Susanto Budi Sulisty, Ph.D.

Chairman of the 2nd ICSARD Committee
Faculty of Agriculture
Jenderal Soedirman University, Purwokerto
Indonesia
