## 19. Effect of edible coating application by spraying method on the quality of red chili during storage

The screenshot shows a Gmail interface with a browser window at the top. The browser has three tabs: "[ICLAS2020] Submission Upload", "AL BAQARAH (FULL) - IRAM", and "Download file | iLovePDF". The address bar shows a Gmail search URL. The email in the inbox is titled "[ICLAS2020] Submission Upload Acknowledgement" and is from the "ICMA-SURE Committee" to "me". The email body contains a thank you message for uploading a presentation titled "Effect of Edible Coating Application by Spraying Method on the Quality of Red Chili during Storage" to the 3rd International Conference on Life and Applied Sciences for Sustainable Rural Development (ICLAS-SURE). It includes a submission URL and a username. At the bottom of the email, there are three buttons: "Thanks a lot.", "Thank you for your mail.", and "Thank you for your response." The Windows taskbar at the bottom shows various application icons and the system clock indicating 7:13 AM on 29-Mar-23.

Dr. Condro Wibowo:

After a careful review of your paper, "Effect of Edible Coating Application by Spraying Method on the Quality of Red Chili during Storage" will be considered for submitting in Proceeding Conference if the following revisions are successfully implemented not more than 1 week from today (16/02/2021).

Thank you for your attention.
