## paper correction for ATA magazine

Michaela Guzmická <michaelaguzmicka91@gmail.com> 4:03 PM (1 hour ago)

to me

Dear Sir,

attached find review reports regarding the second version of your paper *The Utilization of Mushroom Waste Substrate Inroducing Vermincompost: the Decomposer Capacity of Lumbricusrubellus, Eiseniafetida and Eudriluseugeniae*. The reviewers appreciate the quality of presented paper and suggest minor recommendations. Please incorporate suggested recommendations to your paper.

As editor, I would like to kindly ask you to shorten the paper at least by one page and add one citation of our magazine since 2017 up to now (this can be related absolutely to anything). Thank you in advance for your understanding. If there is any issue, feel free to contact me. Please confirm the reception of e-mail.

Yours sincerely,

M. Guzmicka

to me

Dear Ahadiyat Yugi,

Thank you very much for sending your edits. The Reference Zisopoulos was not visible for us , maybe due to some formatting issues. Now it is OK.

Your manuscript is now accepted for publication and will be published in ATA no. 2-2020.

You will be contacted once again to perform the author's proofreading of the final PDF layout before publication.

Sincerely,
