Dear Dody Novrial,

It is a pleasure to accept your manuscript entitled "Protective Effect of Ipomoea batatas L Leaves Extract on Histology of Pancreatic Langerhans Islet and Beta Cell Insulin Expression of Rats Induced by Streptozotocin" in its current form for publication in Molekul.

Your manuscript will be passed for editing and proofs for correction will be sent to you by e-mail in due course.

Please note that authors are responsible for the final proof-reading of manuscripts. It is imperative that you check your proofs (including any tabulated data and figures) very carefully. Proof corrections will need to be returned within 48 hours of receipt where possible. All corrections should be sent at the same time. Papers are published as Advance Articles on the web as soon as possible after we receive proof corrections from the authors. Late corrections cannot be incorporated after publication of the Advanced Article.

Thank you for your fine contribution. On behalf of the Editors of Molekul,
