Dear Authors,

We would like to inform you that your manuscript is being prepared for being published in August 2019 issue.

For publishing purpose, we have edited the language and several aspects of the attached manuscript #884 titled "RANDOM AMPLIFIED POLYMORPHIC DNA (RAPD) PROFILES OF SEVERAL ISOLATES OF Ganoderma spp. FROM BANYUMAS, CENTRAL JAVA, INDONESIA". Therefore, please carefully check this edited manuscript and please let us know if you agree for this edited manuscript be published in BIOTROPIA.

There are also several things in question, which need to be answered and revised. If you agree with the suggestions, please revise the manuscript accordingly.

Please also double check whether the citation written in the manuscript is already listed in the reference list, and revise the citation and reference styles following the guidelines.

We look forward to receiving the revised version of your manuscript no later than 20 June 2019.

Thank you very much for your kind cooperation.

Best regards,

Zanne Sandriati Putri
Publication Assistant
