Greetings,

We have received your revisions. The article is better but it's not ready for publication just yet. It needs to be read and edited by a Native English speaker for grammar. Please have this done, and then send it directly to d1fox@bridgew.edu. Please let us know if you have any questions in the meantime.

Best,
Carley

Fox, Diana <d1fox@bridgew.edu> to me Sun, Oct 21, 2018, 11:15 PM

Greetings,
Thank you for following up. We received your article, and it is out for review. I'm sorry if we did not respond—it was an oversight. Reviews take 3-4 months, so you will likely hear back from us sometime in January.

My best,
Diana
