I send you my best wishes and respect.

We feel pleasure to inform you that your paper [**GENETIC PARAMETER AND ANALYSIS OF TRAITS INTERRELATIONSHIP IN F2 RICE GENERATION OF INPAGO UNSOED 1 X BASMATI DELTA 9**] has been reviewed by an expert referees and accepted with revision for publication in **American-Eurasian Journal of Sustainable Agriculture(AEJSA)**

Our reviewers have made some corrections during the evaluation process.

Here are the reviewer's comments

1. Please prepare your article according to Journal format, enclosed please find the template.
 2. More information should be added for the abstract...such as clear methodology, conclusion..
 3. The objective is good but it will be better to be written in scientific ways...
 4. The introduction needs to be improved the authors need to support the introduction and discussion by recent references from 2017 to 2020 and try to have just a few old references.
 5. References should be written according to the rules of the journal and should match with the references found in the text.
 6. The subject area is important and relevant to the Journal. However, further discussion is needed to make the article more interesting.
 7. Also, the authors need to add a paragraph about the contributions of this subject to knowledge.
- In general, the subject is quite interesting and the results are valuable. Although, the manuscript needs some modifications (which are mentioned above) before the publication.

Additional questions concerning your paper will be sent along with the galley proof, if needed also, the revised article will be checked by the editors, go through language editing and be sent to the publisher. Your article has been scheduled to appear in the forthcoming issue of **American-Eurasian Journal of Sustainable Agriculture(AEJSA)** (Jan 2021) Please pay the printing cost of your article (300USA \$) to go to the next step of publication. Please make sure that your payment is timely received in order to avoid delay in the publication of your article. Kindly note that this paper will not be published until the publication fees are paid before the deadline (15/1/ 2021).
