Dear suroso suroso,

After a careful review of your submission, we are happy to inform you that your paper "Characteristics of DC Current Component Injection in Grid Tied H-Bridge CSI with Transformer" was accepted at International Conference on Engineering, Technology and Innovative Researches (ICETIR).

You should upload the revised paper in source document format (MS Word or LaTeX) along with the PDF file by July 25, 2021. Please make sure to submit early to make sure that there is time to fix any problems that might occur.

At least one of the author must register and present the paper at the conference on September 1, 2021. Please consult the conference registration page for registering and payment procedure.

Thank you and looking forward to your participation in this event.
