Dear Mr. Harwoko,

Journal of Reports in Pharmaceutical Sciences has received your manuscript entitled "Phytochemical analysis and evaluation of purified extract of *Tinospora crispa* stem for in vivo antihyperuricemic activity" for consideration for publication. The reference number for this manuscript is "jrtps_45_19". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all the contributors to act as corresponding author.

You are requested to send the signed copyright/contributor form within two weeks. The form can be uploaded as an scanned image from your area. The decision about the manuscript will be conveyed only on receipt of the form. High resolution images are required at the time of acceptance, you should be notified separately for the same, if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <http://www.journalonweb.com/jrtps>.

The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository. The journal does not charge for submission, processing or publication of manuscripts and except for color reproduction of photographs.

We thank you for submitting your valuable work to the Journal of Reports in Pharmaceutical Sciences.

Yours sincerely,
Editor

Dear Dr. Harwoko

We are pleased to inform that your article entitled "**Phytochemical analysis and evaluation of purified extract of *Tinospora crispa* stem for *in vivo* antihyperuricemic effect**" has been published in "**Journal of Reports in Pharmaceutical Sciences**". With this mail we are sending you the final PDF of the article for your personal use.

The internet today provides more opportunities than before to improve the visibility of your research work. There have been some studies to show direct correlation of article downloads to citations received. The journal's website and its bibliographic linking does help you to get readers, however, additional linking by you would help you to get even higher citations and research impact. You can use few (or all) of the online tools for this purpose.

1. If your institution has an open archive repository, you can put the PDF of your article in the archive with a link to the article on the journal's website <http://www.jrpsjournal.com/text.asp?2020/9/1/46/287587>. Check <http://www.eprints.org/openaccess/self-faq/#self-archiving> to learn more about archiving.
2. Deposit the article in a subject based OAI-PMH compliant repository. You can find subject wise list of repositories from <http://www.opendoar.org/find.php> and <http://opcit.eprints.org/explorearchives.shtml#disciplinary>.
3. Link your paper from as many websites as possible using citation and social book marking tools such as GetCited, CiteULike, Connotea, Zotero, etc. The URLs for registering with few of these sites are
<http://www.getcited.org/add/>
<http://www.citeulike.org/register>
<http://www.connotea.org/register>
<http://www.zotero.org/>
http://www.stumbleupon.com/sign_up.php?pre2=hp_join
4. Link the article from an appropriate topic in the Wikipedia e.g. http://en.wikipedia.org/wiki/Acanthamoeba_keratitis#References [Ref. 5] or http://en.wikipedia.org/wiki/Hallermann-Streiff_syndrome#References [Ref 4]
5. As an author you can also deposit your paper with the NLM's PubMedCentral, if you have received an NIH grant. Use the myNCBI link on <http://www.nihms.nih.gov/db/sub.cgi> to submit your paper.
6. Link the paper from your personal / institution web pages. Please use this <http://www.jrpsjournal.com/text.asp?2020/9/1/46/287587> for the linking.

Thank you for your contribution to our journal.

With personal regards

Journal of Reports in Pharmaceutical Sciences
