to me

Endang Hilmi:

Thank you for submitting the manuscript, "Clustering And Species Association To Support Spesific Adaptation In Mangrove Ecosystem : clustering and species association of mangrove species" to Biodiversitas Journal of Biological Diversity. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: <https://smujo.id/biodiv/authorDashboard/submission/8696>

Username: endanghilmi27

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

Ahmad Dwi Setyawan

Dear author,

Thank you very much for your manuscript submission. Please add more international recent journals for your references. At least, you need to cite 20 references that 80% come from international scientific journals published in the last 10 years (2011-2021) and maximum 10% from national publication.

Kindly check and correct accordingly

Regards
