to me

Dear **Dr. Endang Hilmi**,

We have received the reports from our advisors on your manuscript, "**The Sedimentation Impact for Lagoon and Mangrove Stabilization**", which you submitted to MaCiFIC 2021.

Based on the advice received, I feel that your manuscript could be reconsidered for publication should you be prepared to incorporate minor revisions.

When preparing your revised manuscript, you are asked to carefully consider the reviewer comments which are attached, and submit a list of responses to the comments.

Please note:

1. When sending your revised files, please make sure only to submit your editable source files (i. e. word)".
2. Check the Plagiarism of your manuscript once on your own. The similarity must not be more than 15% in any case. You may attach the plagiarism report also with this submission.
3. Please submit your Revision in the attached TEMPLATE. You may refer to the SAMPLE PAPER and Author's Guidelines attached.
4. Highlight the corrections and/or modifications made on the revised version e.g. in yellow color

We look forward to receiving your revised manuscript before 20 October 2021.

With kind regards,

Hilfi Pardi
