Dear Dr Susanto,

Your manuscript is currently available online and in press on our website <https://www.myfoodresearch.com>.

Please note that the version in press is the 'Corrected Proof' version. The manuscript information e.g. volume, issue, page number and DOI, will be provided once we have received the payment. We will then inform you of the update of your manuscript details.

Thank you for your fine contribution. We hope that you continue to submit other articles to the Journal.

Thanks & Regards,

Vivian New

Editor

Food Research

Sulistyono <susanto.sulistyono@unsoed.ac.id>**Subject:** Re: FR-2019-410 - Article Production

Dear Vivian

Thank you for your email.

We have checked the galley proof of the manuscript and we found no mistakes in it.

We will complete the payment as soon as possible.

Regards

Susanto

Dear Dr Sulistyono,

Please refer to the attachment for the galley proof of your manuscript FR-2019-410 entitled 'Regression analysis for determination of antioxidant activity of coconut sap under various heating temperature and concentration of lysine addition'. Please check the content of the galley proof. If there are any mistakes, please comment and highlight in the PDF itself and revert to us within two (2) days of receipt. Once we have finalized the PDF version, your manuscript will be published online for early viewing.

Please see the attachment for the invoice INV20036. We hope that you can make the payment as soon as possible before 11 March 2020 for us to complete the publication of your manuscript. The manuscript information e.g. volume, issue, page numbers and DOI, will be provided once we have received the payment.

Thanks & Regards,

Vivian New

Dear Vivian New

I apologize for the mistake. I put some uncited references but they have now been deleted from the reference list.

Please find the attached file of the revised manuscript.

Thank you.

Regards

Susanto

Dear Dr Susanto,

Manuscript ID: FR-2019-410

Manuscript Title: Regression analysis for determination of antioxidant activity of coconut sap under various heating temperature and concentration of lysine addition

Before we can proceed with the article production, I would like to clarify a few points that I have commented in the manuscript. Please refer to the attachment. Please address the issues raised in the comments.

Please use the attached copy to make your revisions as it has been corrected to the Journal's format. Once you have done, kindly revert the copy to me as soon as possible. Please note the faster you respond, the quicker we will process your manuscript.

Thanks & Regards,
Vivian New

Dear Dr. Sulistyto,

It is a pleasure to accept your manuscript for publication in Food Research journal. Please refer to the attachment for your acceptance letter.

Please note that all accepted manuscripts are subjected to Article Processing Charges (APC) as the Journal will provide full publishing services. Please fill in the article processing fee form attached with this letter and revert to us within five (5) working days. Once we have received the form, your article will be transferred to production.

Thank you for your fine contribution. We look forward to your continued contributions to the Journal.

Sincerely,
Dr. Vivian New

Dear Prof Dr Son Radu
Chief Editor, Food Research

Firstly, we would like to thank the Chief Editor and all reviewers for critically reviewing our paper and pointing out ways to improve the technicality and readability aspects of this paper. In the revised paper attached, the revisions made appear in blue. We have also fulfilled the Author's Section in the Evaluation Form.
Thank you.

Kind regards
Susanto

Dear Sulistyto,

Manuscript FR-2019-410 entitled " Regression Analysis for Determination of Antioxidant Activity of Coconut Sap Under Various Heating Temperature and Concentration of Lysine Addition " which you submitted to Food Research, has been reviewed. The comments of the reviewer(s) are included in the attached file.

The reviewer(s) have recommended publication, but also suggest some revisions to your manuscript. Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript. Once the revised manuscript is prepared, please send it back to me for further processing.

Because we are trying to facilitate timely publication of manuscripts submitted to Food Research, your revised manuscript should be submitted before or by 21st February 2020. If it is not possible for you to submit your revision by this date, please let us know.

Once again, thank you for submitting your manuscript to Food Research and I look forward to receiving your revised manuscript.

Sincerely,
Professor Dr. Son Radu
