Dear Ms. Vivian New,

Let me send you the manuscript title "Effect of pH and temperature on browning intensity of coconut sugar and its antioxidant activity". I have submitted to IFRJ (IFRJ 16661), but sadly it is not accepted to publish in IFRJ. You suggest and inform me the opportunity that manuscript might suitable to publish in Food Research. So, kindly please check it and consider to be able to publish in Food Research. Thank you

to me

Dear Dr. Karseno,

Before I can proceed with the production of your manuscript, I would like to clarify a few points highlighted in your attachment.

1. Uncited reference - Please note all references cited in text must be present in the reference list. I have identified the following references in your manuscript. Please include them in the reference list or delete them if it is not necessary.

Please use the attached manuscript to perform your revision and revert the copy to us as soon as possible. This is based on the manuscript you submitted, which has been edited according to the Journal's format. Please note that the faster you revert, the quicker we will process your manuscript.

Looking forward to hearing from you.

Thanks & Regards,
Vivian New
