Loekas - Soesanto, Prof :

We have reached a decision regarding your submission to AGRIVITA, Journal of Agricultural Science, "VARIOUS pH MEDIA INFLUENCE PRODUCTION OF *Pseudomonas fluorescens* P20 RAW SECONDARY METABOLITES FOR CONTROLLING DAMPING-OFF (*Pythium* sp.) IN CUCUMBER SEEDLINGS".

Our decision is to: Resubmit for review

Please check the review result which was available on reviewer B.
