Dear Authors and Participants of ICSARD 2018

On behalf of the Organizing Committee of ICSARD 2018, I would like to express my sincere gratitude for your participation in the ICSARD 2018 that has been held on 23-24 October 2018. In order to improve the quality of future events organized by the Faculty of Agriculture Jenderal Soedirman University, we kindly ask you to provide us with some feedback on the content and the organization of this conference. This information is very important to us and we would appreciate your response. Please complete the online feedback form on this following link <http://icsard2018.faperta.unsoed.ac.id/conference-evaluation-form/>.

As for the full paper submission, we extend the deadline until **10 November 2018** to give you more time to revise your full manuscripts. **Follow the guidelines** when preparing your paper for submission. In order to help you preparing your manuscripts, you may use the template provided. Please submit your revised paper by email to icsard@unsoed.ac.id and please **mention your paper ID number** to identify your paper easier. Papers that do not follow the formatting guidelines or without mentioning paper ID number will slow down the next step of review process.

Download the Authors Guidelines: <http://icsard2018.faperta.unsoed.ac.id/2018/09/19/download-author-guidelines-for-icsard-proceedings/>

Download the Manuscript Template: <http://icsard2018.faperta.unsoed.ac.id/2018/09/19/download-icsard-manuscript-template/>

All full papers will be reviewed by two Expert Reviewers based on the following criteria: (i) Relevance, (ii) Significance, (iii) Novelty, (iv) Technical correctness, (v) Experimental/evidential support, (vi) Clarity of presentation and (vii) References to prior work and publications. The review process will take around one month, so please give us some time to accomplish this process. If for some reasons you do not submit your paper until the due date, we consider that you **do not wish to publish** your manuscripts in the Proceedings of ICSARD 2018.

Thank you.

Yours sincerely,

Susanto B. Sulistyono

General Chairman of ICSARD 2018

Fri, Jan 10, 2020 at 5:52 PM

Dear Dr. A Sudarmaji;S Sahirman;Saparso;Y Ramadhani,

Greetings! Impressed by your work 'Time based automatic system of drip and sprinkler irrigation for horticulture cultivation on coastal area', we are cordially inviting you to share your newest research findings at ABS 6th International Conference on Agricultural and Biological Sciences (ABS 2020), to be held from August 23rd-26th, at Tokyo University of Agriculture, Japan.

- As an annual conference since 2015, ABS attracted more than 600 participants;
- It will be a great chance to further expand your networks and refresh your knowledge in related field;
- Selected papers will be published in Scopus/Ei conference proceeding or ISI indexed journals;
- Best oral/poster presentation certificate would be issued and winners will be exempted from ABS2021 Registration;
- Being the world's most populous metropolitan area and the center of Japanese culture, finance, and government, Tokyo will surely amaze you.

If you're not available for attendance, could you help us review some papers? Active reviewers are candidates for Technical Program Committee of ABS 2021.

It is greatly appreciated if you could help to circulate the conference information.

Lydia Shi
Conference Secretary
