

# CERTIFICATE OF PARTICIPATION

This certificate is presented to :

Prof.Dr.Ir.Mas Yedi Sumaryadi,MS.

For having participated in

"EMPOWERMENT OF LOCAL FEEDS TO SUPPORT FEED SECURITY"  
THE 1<sup>ST</sup> INTERNATIONAL SEMINAR AND THE 7<sup>TH</sup> BIENNIAL MEETING OF INDONESIAN NUTRITION AND FEED  
SCIENCE ASSOCIATION (AINI)

Purwokerto, July 18-19, 2009

Organized by :

**Indonesian Nutrition And Feed Science Association (AINI)**

In cooperation with

Faculty of Animal Science, The University of Jenderal Soedirman (UNSOED)

*Jidi*

Faculty of Animal Science, UNSOED

July, 18 - 19 th, 2009

Dr. Ir. Sri Suhermiyati, MS

Chairman of AINI

Prof. Dr. Ir. Mas Yedi Sumaryadi, MS

Dean of Faculty of Animal Science

Dr. Ir. Agus, DAA, DEA

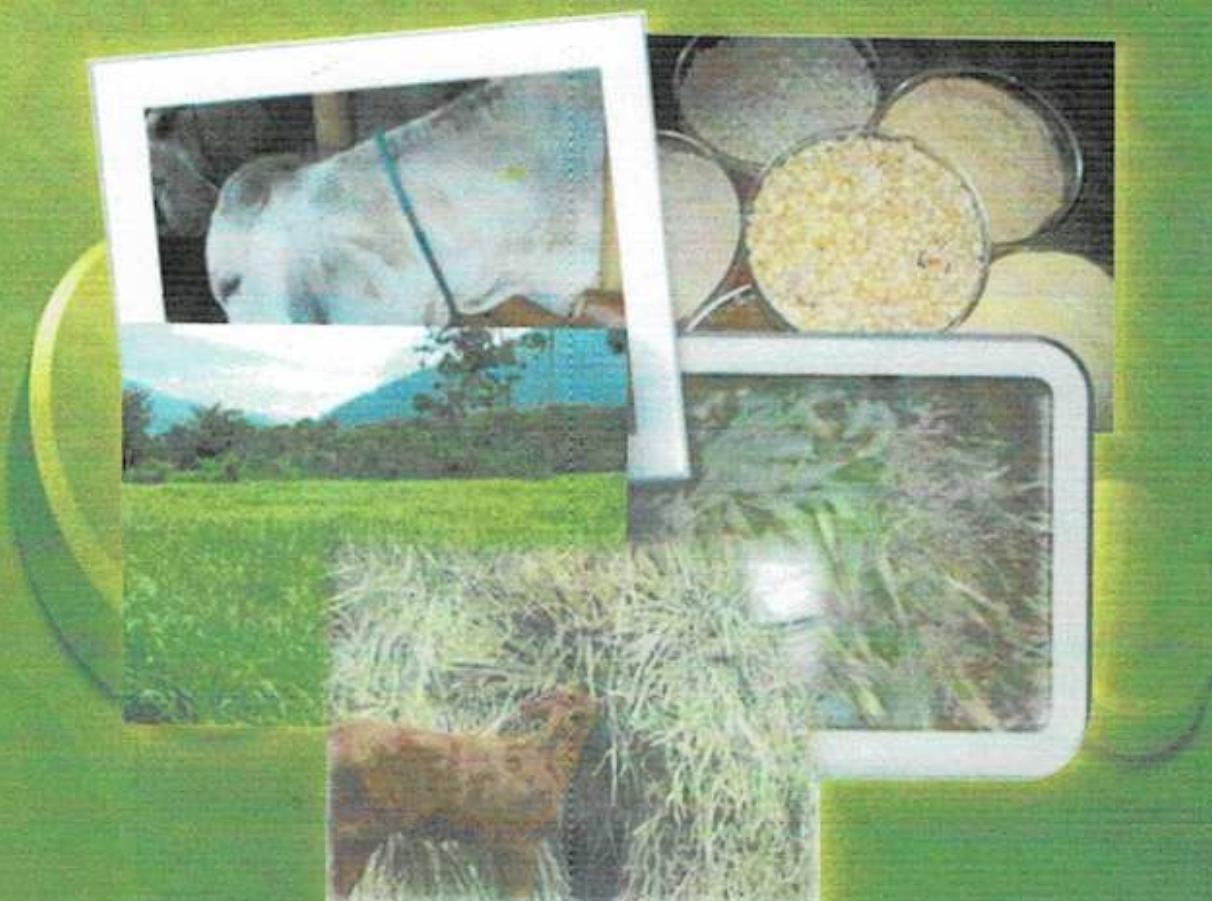

Chair of Organizing Committee

# PROCEEDINGS INTERNATIONAL SEMINAR

The 1<sup>st</sup> International Seminar and the 7<sup>th</sup> Biennial Meeting  
of Indonesian Nutrition and Feed Science Association

## EMPOWERMENT OF LOCAL FEEDS TO SUPPORT FEED SECURITY

Jointly organized by:

FACULTY OF ANIMAL SCIENCE, JENDERAL  
SOEDIRMAN UNIVERSITY, PURWOKERTO  
INDONESIA

INDONESIAN NUTRITION AND FEED SCIENCE  
ASSOCIATION (AINI)

2010

**Proceedings International Seminar**

**The 1<sup>st</sup> International Seminar and the 7<sup>th</sup> Biennial Meeting of Indonesian Nutrition and Feed Science Association (Purwokerto, 18-19 July, 2009)**

**"EMPOWERMENT OF LOCAL FEEDS TO SUPPORT FEED SECURITY"**

**First Edition**

**Purwokerto, 2010**

**ISBN : 978-979-25-9572-7**

**Editors:**

Ali Agus (Gadjah Mada University)  
E. R. Ørskov (Rowett Research Institute-England)  
A. R. Alimon (University Putra Malaysia-Malaysia)  
Caribu Hadi Prayitno (Jenderal Soedirman University)  
Nahrowi Ramli (Bogor Agricultural University)  
Juni Sumarmono (Jenderal Soedirman University)  
Ning Iriyanti (Jenderal Soedirman University)  
Titin Widiyastuti (Jenderal Soedirman University)  
Setya Agus Santosa (Jenderal Soedirman University)

**Reviewer:**

Sri Suhermiyati  
Akhmad Sodiq  
Suwarno  
Nunung Noor Hidayat  
Pambudi Yuwono

**Jointly Published by:**

Faculty of Animal Science, Jenderal Soedirman University (UNSOED)

and

Indonesian Nutrition and Feed Science Association (AINI)

**Printed by:**

**UNSOED-Press**

## TABEL OF CONTENTS

## KEYNOTE PAPERS

Strategy for the development of feed. The Director of Non Ruminant Management, Department of Agriculture of Republic of Indonesia.....	1
Improving feedstuff supply and quantity with an emphasis on plant and animal breeding multiculture and agroforestry. E.R. Ørskov, P.J. Goddard, Kustantinah.....	5
Strategies to meet feed requirement of smallholder beef cattle toward the acceleration of beef self sufficiency program. Marsetyo, Damry, Dahlanuddin, Dicky Pamungkas, Esnawan Budisantoso, Takdir Saili.....	14
Poultry production and the potency of local raw materials usage in Indonesia. Desianto.....	27

## FEEDSTUFF PAPERS

The study of use binders on complete feed block processing on physical and chemical quality. Emmy Susanti, Titin Widiyastuti and Munasik.....	37
Fishmeal quality improvement through antihistamine producer bacteria fermentation. Ning Iriyanti, Budi Rustomo, Efka Aris R. ....	40
Amino acid indexes of earthworm and earthworm meal ( <i>Lumbricus rubellus</i> ) for animal feedstuff. Ahmad Sofyan, Lusty Istiqomah, Ema Damayanti and Hardi Julendra .....	44
The effect of transfer of capsulated omega-3 and l-carnitine suplementation on fatty acid concentration of fresh and grilled goat meat. Sudibya, Titin Widiyastuti and R.S. Santoso .....	49
Improving the in vitro nutrient digestibility of ration based on local waste fermented by rumen liquor and enzyme complex. I Made Mudita, Anak Agung Putu Putra Wibawa, I Wayan Wirawan and Ni Wayan Siti. ....	54
The evaluation of nutrient quality of ramie leaf silage and hay in complete mixed ration for etawah-crossbreed goat using in vitro technique. Hutabarat, I.M.L., Mutia, R., Permana, I.G. and Despal.....	55
Study of feedstuff storage durability using carbondioxyde gas. Tri Rahardjo Sutardi .....	56
The utilization of microorganisms cultures as starter in ensilage process to increase organoleptic value and chemical composition of sedge grass ( <i>Imperata cylindrica</i> ) silage. Ni Gusti Ketut Roni and I Made Mudita .....	64
Technical effect and drying time on the quality of ramie ( <i>Boehmeria Nivea</i> , L. Gaud) leaf hay. N.D. Asti, I.G.Permana, Suryahadi and Despal.....	68
Acid value and amount of microbe of feedstuf suplemented by antimicrobial agent pseudomonas fluorescens strain fncc-070 during storage. Titin Widiyastuti, Nina Hastiani, Sudibya. ....	73
Performances of lactating dairy cows fed macerated alfalfa forage as part of complete feed. Suworno..	77
Performances of king grass ( <i>Pennisetum purpoides</i> ) at fourth defoliation under the influence of urea and manure fertilizers. Eko Hendarto and Suworno .....	84
Fermentation technology on high fiber feedstuffs with <i>Aspergillus niger</i> and lab-cellulolitic mixed (c-lab-m) as duck's rations. Ali Agus, Erna Winarti, Ade Wicaksono and Rosita.....	88
Frequence of application organic fluid fertilizer on yield, and nutrition concentration of elephant grass of Thailand variety. Nur Hidayat and Bahrun.....	92
Fermentation of bagasse with <i>Trichoderma viridae</i> and <i>Saccharomyces cereviciae</i> ; its effect on crude fiber and crude protein degradation as in sacco. Nur Hidayat, dan Caribu Hadi Prayitno.....	97

Cocoa husk fermentation in diet evaluated from organoleptic characteristics of broiler meat. Sri Suhermiyati .....	297
Income over feed cost of broiler chicken of difference scale rearing. Rosidi .....	301
Chlortetracycline additive has no effect on serum transaminase of broilers fed local diet. Retno Murwani, Astri Konstantina Ariesta and Redha Yushita.....	304

**GENETICS AND REPRODUCTION PAPERS**

Genetics inheritance of production characteristic based on blood protein pattern in Magelang duck. Dattadewi Purwantini.....	305
The effect of using steroid hormone precursor on the reproductive quality of male quail. Abyadul Fitriyah, Wihandoyo, Supadmo and Ismaya .....	310
The effect of non genetic factors on milk production at dairy cattle breeding centre of Baturraden. Setya Agus Santosa .....	318
Accuracy of estimation of milk production with test interval method and centering date method to real milk production in dairy cattle selection. A.T. Ari Sadewo and Setya Agus Santosa .....	324
The effect of breed and concentrate levels on sperm quality of rams. Dadang Mulyadi Saleh .....	330
Effect of various levels of egg yolk on semen quality and fertility of native chicken spermatozoa. Sugiyatno, and Dadang Mulyadi Saleh.....	335
Application of technology to improve of ewes reproduction and lamb production performance in fat tail sheep. Mas Yedi Sumaryadi, Agus Priyono, Budi Haryanto, and Herry Soeprapto.....	339

**PRODUCTION, POST-HARVEST AND SOCIO-ECONOMICS PAPERS**

Technical efficiency ratio (TER) of dairy farming in Banyumas regency. Rahayu Widiyanti and Sri Mastuti.....	346
Daily weight gain performance and carcass quality of Indonesian indigenous sheep fed supplements containing treated cassava peel. R. Singgih Sugeng Santosa.....	350
The erythrocyte and packed cell volume (PCV) of broiler chicken which is reared on different litters. S.J.A. Setyawati .....	354
Isolation and identification of antihistamine "histamine methyl transferase" producer rumen bacteria. Ning Iriyanti, Budi Rustomo and Efka Aris R.....	358
The influence of farmer's characteristic to increase knowledge and interest goat farmer through comic about marginal area for cultivated forage plant. Krismiwati Muatip.....	363
Applied of analytical hierarchy process for development strategy analysis of small-scale poultry feed industry in Sidenreng-Rappang regency, South Sulawesi. Jasnal A Syamsu and Irsyam Syamsuddin.....	366
Prospectus analysis of halal gelatin agro-industrial from split hides at leather tanning factory in Indonesia. Syarifuddin Nur and Suharjito.....	373
Effects of dipping time in organic acids on total viable count and quality of broiler carcasses. Agustinus Hantoro Djoko Rahardjo and Juni Sumarmono .....	379
Changes in internal quality parameters of edible-coated shelleggs during storage. Juni Sumarmono and Bambang Sedar Santosa .....	385
The effect of additives and time of ensilage on characteristics and quality of ramie ( <i>Boehmeria nivea</i> , L. Gaud) leave silages. Safarina, S.N., Jayadi, S., Permana, I.G. and Despal .....	393
The correlation between floor space and sanitation of cage with mastitis disease occurrence on the dairy cattle. Sri Hastuti.....	398
Empowerment of dairy cow livestock in enhancing well being of rural community in Kecamatan Baturraden. Tri Sugiarto.....	403
